Instructions

Instructions for folding your farm trivia chatterbox:
1. Tear along the dotted line.
2. Fold in half twice so that you have a small square. Unfold.
3. Lay your chatterbox with the pictures down and fold each of the four corners into the middle so that they touch but do not overlap.
4. Flip your chatterbox over. Fold each of the four corners into the middle so that they touch but do not overlap.
5. Fold it in half vertically and open it back up again.
6. Fold it in half horizontally and open it back up again.
7. Flip your chatterbox over. Put your index fingers and thumbs inside 3, 4, 7, & 8.

Did you know?

A hen lays over 320 eggs per year. That's almost one every day!

Did you know?

Some farms don't allow visitors into their barns to help keep the animals healthy. Tour farms on your computer at www.virtualfarmtours.ca

Did you know?

Farmers feed cities! The average Canadian farmer produces enough food for 120 people.

Did you know?

Not all turkeys gobble! Male turkeys (toms) make a gobble sound, but female turkeys (hens) make a clicking sound.

Did you know?

Pigs can't sweat! Pig barns have fans and sometimes even sprinklers to keep pigs cool.

Did you know?

The average dairy cow produces about 30 litres of milk a day. That's over 120 glasses of milk a day.
